

# ATTENTION FAMILIES!

Let's take some time to  
**Embrace****Accept****Unify**

## Bring Your Voice to the Table ... It Counts!

Yakima Valley System of Care empowers youth and families to use their Voices!

We create an opportunity of equality among Youth, Families and Providers in these systems:

- School Services
- Foster/Kinship Care
- Juvenile Justice
- Mental Health Services
- Chemical Dependency
- Developmental Disability Services

And More

### Join the family driven Development Team!

FDDT members are families and caregivers of youth with emotional & behavioral challenges .

We provide input & feedback to policy makers, service providers, community programs and others that impact the children's mental health system.

**The FDDT Team Meets on  
The first Thursday of every month  
5:30 – 8:00 pm**

**Children's Village, Yakima**

...dinner, onsite childcare and incentives are provided...
