

If you had the opportunity to
change your community
for the better,
what would you do?

Youth for Community Growth: Teens Reviving Equality for Everyone (YCG:Tree) is looking for team members to participate in creating positive change in Yakima County.

If you are 14-21 years old & want to:

- Break down social barriers
- Eliminate stigma
- Bring forward the voice of youth culture
- Promote positive youth programming & system change
- Empower youth leadership in the community through volunteer work, advocacy & training
- Become a positive role model & mentor to other youth
- Learn about & become an advocate for mental wellness

YCG: TREE is a youth team looking for YOU. Please join us in action to change Yakima County for the better.

Let's take some time to **Embrace Accept Unify**
